Mon. Grand Correspondant's/Directeurs Special Awards;

We are rapidly closing in on that time of year when we report our Locales progress in the various programs of Grand du Calif. and La Société. These include those with respect to Special Awards. The Special Awards program is your Locales opportunity to honor a Voyageur, Law Officer, citizen (Hero) or your city or town for their contribution to the overall safety and health of your community or Voiture. It is that time to recognize and formally thank them for their support of veterans, active or otherwise.

You were informed last year that 2009 was the last year for the La Petite Communiqué to be published in hard copy for distribution to all Correspondant's. In addition, as you are all aware, we use that booklet to retrieve our reporting forms and requirements; so what do we do now? No problem, La Petite is posted on the National Web site and the forms individually posted for your use. They are ready for your input. You can email them or print them for regular US Mail Service. Be advised however, the issue posted is the 2009 issue, but the forms are good to go.

For information on reporting your Special Awards Program and submission of candidates for the four categories [Law Officer, Hero, Voyageur, or City/Town of the Year] go to my web site: [www.palomarvoiture1406.com](http://www.palomarvoiture1406.com) and click on the Special Awards Button. Use the point of contact information for mailing your reports. There are forms there too, but they are not interactive as the Nationale pages are. I recommend using the Nationale report forms and mail them to the 4 Grand du Calif. Sous Special Awards Directeurs as appropriate for the categories you are submitting candidates. Make sure you follow the instruction for filing your submission to Grand; including the Participation Report Form.

As a reminder, all Voitures in Grand du Calif. are responsible for submitting the Participation Report Form, regardless whether they are submitting candidates or not.

May 1 is the date that all reports are to be into the Sous Directeurs. Specifics on which Sous Directeur Special Awards you will send your report to will be the topic of my next [March] letter.

Be special, be a true Voyageur Militaire support the 40/8 by reporting your activity.
