CORRESPONDANT LOCAUX should have this report to their District Grand Cheminot before the Grandes Cheminots Meetings, normally in October and February, and the Grande Promenade in June so that he/she may compile their report.

It is requested that the **DISTRICT GRAND CHEMINOTS** read the TOTAL PROGRAM Section when reporting. A copy of the combined District Report (that includes ALL Locales in the District) should be handed to the Grand Correspondant following your verbal report. District Grand Cheminots may verbalize other special activity not included in the written report.

Thanks to everyone for your help with complete reports.
